This is to introduce you to Max Sternthal.

I have known Max for over 40 years. He is a man of profound commitment and passion.

For years, he has used his considerable talent to tell the story of the Holocaust, in song and verse, to a wide variety of adult audiences.

Concerned as he is for the Jewish future, he has now turned his attention to a major challenge - bringing the message of our past to future generations.

Max is well on his way toward finalizing a series of CD's telling the story of the Holocaust, and of the miraculous re-birth of the State of Israel in our time.

It is a project worthy of your support.

Thank you in advance for giving this project your consideration.

With best wishes,
